

Are you a care leaver aged 21-24?

You can now request support from a Leaving care Personal Adviser up to the age of 25. If you were in care/Looked after by Lancashire County Council and need support then contact LCC's customer care on:

A Personal Adviser will then arrange to see you to complete an assessment of what support you need, this could be from the leaving care service or you maybe signposted to other services.
